

Tongariro National Park

Basic Maintenance Procedures

This document sets out the procedure for Basic Maintenance Notification. This will inform the Department how frequently and for what purpose basic maintenance is being undertaken in Tongariro National Park. Basic Maintenance includes like-for-like repair or replacement of:

- Painting
- Cladding
- Roofing
- Deck repair
- Wall repair
- Guttering
- Window repair or replacement
- Door repair or replacement
- Heating system repair (that does not require additional outdoor units)

Things to know

- The notification form will take about fifteen minutes to complete and must be completed for each undertaking of basic maintenance.

- You will receive an automatic notification acknowledgement receipt and will only be contacted if the Department has a query with your notification.

- The notification form should be submitted at least five working days before the planned basic maintenance.

- Any general enquiries or feedback regarding this process, please email tongariroworksapproval@doc.govt.nz.
